[Africa Mental Health Foundation](#) [9] (AMHF) is a non-governmental organization, based in Kenya dedicated to research in mental and neurological health and, substance use to generate evidence for policy and best practice in the provision of affordable, appropriate, available and accessible mental health services.

AMHF brings together the widest possible spectrum of professionals from both mental health and non-mental health fields to work together under one roof working in research and interventions in mental health.

[Click Here](#) [9] for more details.
