

SPSS Training

A Past SPSS Training which the department organized for the members of Faculty

The department of Psychiatry in collaboration with the Linked Mental Health Project invites all students to attend SPSS training that will be held from 2nd to 5th June at the Resource Center, located at the KNH's Mental Health Department.

This targets the graduate students who have collected data and are in the process of analysis. Other students and faculty are also invited. This is part of the series of trainings that the Department and the Linked Mental Health Project have been holding as part of its Aims.
