COLLEGE OF HEALTH SCIENCES
SCHOOL OF MEDICINE
DEPARTMENT OF PSYCHIATRY**

UNIVERSITY OF NAIROBI ANNUAL REPORT 2021

1. NAME, BRIEF INTRODUCTION OF THE UNIT AND THAT OF CONSTITUENT DEPARTMENTS

The Department of psychiatry is one of the departments at the School of Medicine, College of Health Sciences. It was established in 1971 soon after the start of the medical college in 1967. The department is situated at the medical school, Kenyatta National Hospital (KNH). For teaching purposes, the department also uses Mathari Hospital, which is situated about 10 kilometres away from KNH. At KNH together with staff from KNH we run outpatient clinics for both adults and children. We also work closely with Mathari hospital to train our students, both postgraduates and undergraduates.

2. PROGRAMMES OFFERED

1. MBChB Level I Behavioural Sciences
2. MBChB Level IV Psychiatry lectures
3. MBChB Level V Psychiatry lectures
4. Master of Medicine degree in psychiatry (MMed Psych)
5. Master of Science in clinical psychology (MSc Clinical Psychology)
6. Post graduate Diploma in Psychotrauma
7. Post graduate Diploma in Substance abuse
8. Post graduate Diploma in Psychiatry Social Work
9. Postgraduate Diploma in Clinical Psychiatry
10. Doctor of Philosophy and Doctor of Medicine
11. Doctor of Philosophy and Doctor of Clinical Psychology

We also service other departments in teaching postgraduate students, like the Department of Medicine and Paediatrics.

3. ENROLLED STUDENTS

- M.Med Psychiatry – 26
- MSc. Clinical Psychology – 14

4. STRATEGIC ISSUES

- Graduated only 23 students which was much lower than the previous year. The low production of student in the 2020 FY was due to COVID – 19 pandemic.
- Due to the COVID – 19 pandemic conferences attended were limited therefore full dissemination was not realized
- There was also limitation in collaboration and linkages with peer institutions and industry locally and internationally.
- Challenges in automation of course evaluation tool.

5. MAJOR ACHIEVEMENTS IN THE YEAR 2021

- Online interviews, Admissions and Registration of students
- Graduated 23 postgraduate students during the 64th graduation ceremony.
- Despite the COVID – 19 pandemics, the department was committed to conducting outreach programmes with people in the community particularly vulnerable individuals - women and the youth.
- The department was number 16 out of 300

8. PROJECTIONS

- Focus on realizing succession planning in the Department of Psychiatry
- Prioritize and align more programmes, projects and activities to the realization of the “Big Four” agenda through mounting research projects focusing on COVID – 19 in collaboration with partners and institutions
- Alignment of the various programmes with CUE guidelines and standards – already in process

9. ANY OTHER PERTINENT INFORMATION/ISSUES IN THE YEAR 2021

- The Department of Psychiatry lost two members of the academic staff in 2019 and to date they have not been replaced even after I requested for their replacement.
- Four members of staff left the department to pursue other interests.
- The Department is grossly understaffed, and almost half of the academic members are above 60 years of age and will be retiring almost at the same time. The Department urgently needs to replace the two members who died and four members who left. We need to recruit tutorial fellows for succession planning.

10. INTERNATIONAL STUDENTS COMPONENT

We have sixteen (16) international students
